SPONSORSHIP PACKET

ABOUT OUR TEAM

In 2023, Team 8-BIT was established with a vision to introduce competitive high school robotics to the North Valley, proudly being the sole team located in the Deer Valley Unified School District. Team 8-Bit is a FIRST Robotics Competition Team, composed of 7th – 12th graders, based in Anthem, AZ. We are a student-led, mentor-guided team, focused on learning and personal growth of our team members. Guided by dedicated professional mentors, our team collaboratively designs, CADs, manufactures, assembles, wires, programs, and competes with impressive 125-pound, shopping cart-sized robots!

We are raising funds for the upcoming 2023/2024 season. Our annual team operating costs are over \$30,000, and being a community-based team, we heavily rely on business relationships and support from our community to sustain this program.

HOW YOU CAN SUPPORT OUR TEAM

Financial Donations (including gift cards) – You can make a tax deductible donation to spend on robot parts, competition fees, travel expenses, etc.

Parts/Tools – We are also looking for a few high cost items that you could donate to the club.

- Fast & Powerful laptop computer (doesn't have to be new) ~\$600
- Laser Cutter & Engraver (e.g. Glowforge Basic) ~\$4000
- Enclosed 6' x 12' trailer 6' interior height, with ramp and side door ~\$2,700
- Miscellaneous materials like lumber, steel, aluminum, and plexiglass

Mentorship – Another way that you can help our team is through volunteering your time to mentor our students. Do you or someone you know have skills we could apply to building a world-class robot? Or website design, graphic arts, accounting support, etc. Not everything is about the robot. We are looking for mentors who are willing to share their experience and expertise with a group of awesome high school students.

THANK YOU FOR YOUR SUPPORT!!

Donations are tax-deductible and checks should be made out to our booster club – “Anthem Robotics”, a 501(c)3 organization.

SPONSOR BENEFITS

BIT

Donation of \$100-\$499

- Thank you letter from team
- Recognition on Social Media

BYTE

Donation of \$500-\$999

- All of the Bit benefits, plus:
 - Logo on Sponsor Banner
 - Logo on Team Website

MEGABYTE

Donation of \$1000-\$2999

- All of the Byte benefits, plus:
 - Logo on Competition Uniform
 - Large logo on Sponsor Banner

GIGABYTE

Donation of \$3000+

- All of the Megabyte benefits, plus:
 - Logo on Team Robot
 - Large logo on Competition Uniform
- PRIMARY SPONSOR STATUS –
 - Sponsors are named in Competition brochures and during matches at regional competitions

THANK YOU!

We are grateful to you for taking the time to read this and for your support of Team 8-Bit! We would be happy to schedule a time to come in and talk about what the team provides to the community, our levels of sponsorship, and more about why we are fundraising.

If you have any questions for us, please contact our mentor, Emily (623-337-1791).

Thank you,
Team 8-Bit
